The Fund has three aims: • To deliver an income stream that increases every year.

To deliver a yield above that available from the MSCI ACWI Index over any five-year period.
To deliver a higher total return (the combination of capital growth and income), net of the Ongoing Charge Figure, than that of the MSCI ACWI Index over any five-year period.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
