Aims

The aim of the Fund is to provide a return on your investment (generated through an increase in the value of the assets held by the Fund) by tracking closely the performance of the FTSE EPRA/NAREIT Green Low Carbon Target Index (the "Benchmark Index"). Although the Fund aims to achieve its investment objective, there is no guarantee that this will be achieved. The Fund's capital is at risk meaning that the Fund could suffer a decrease in value and the value of your investment would decrease as a result.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
