Aims

To provide a combination of a high level of income and capital growth, before fees, over a rolling five year period. The manager defines a high level of income as equal to, or in excess of, the average yield of the funds in the fund's Investment Association sector, the Strategic Bond sector.

Important Information

- Source of portfolio data: Broadridge. Source of performance data: FE fundinfo. We can't predict the future. Past performance isn't a guide to future performance. The figures shown are intended only to demonstrate performance history of the fund, after allowing for the impact of ongoing charges, but take no account of product charges. Ongoing charges may vary in the future and may be higher than they are now. Fund performance is based upon the movement of the daily price and is shown as total return in GBP with income reinvested. The value of your client's investment can go down as well as up and the amount your client gets back may be less than they put in.
