FUND OVERVIEW

- The Fund aims to provide a return on your investment, in a sustainable way, through a combination of capital growth and income on the Fund's assets.
- The Fund invests globally at least 70% of its total assets in the equity securities (i.e. shares) of companies domiciled in, or whose main business is in, Europe in a manner consistent with the principles of sustainable investing.
- The Fund will take into account ESG criteria when selecting investments as disclosed in the prospectus and at. For further details please refer to the ESG Policy of the Fund prospectus and the BlackRock website at www.blackrock.com/baselinescreens

CAPITAL AT RISK: The value of investments and the income from them can fall as well as rise and are not guaranteed. Investors may not get back the amount originally invested.

KEY RISKS:

- The value of equities and equity-related securities can be affected by daily stock market movements. Other influential factors include political, economic news, company earnings and significant corporate events.
- The Fund seeks to exclude companies engaging in certain activities inconsistent with ESG criteria. Investors should therefore make a personal ethical assessment of the Fund's ESG screening prior to investing in the Fund. Such ESG screening may adversely affect the value of the Fund's investments compared to a fund without such screening.
- Counterparty Risk: The insolvency of any institutions providing services such as safekeeping of assets or acting as counterparty to derivatives or other instruments, may expose the Fund to financial loss.
