

# WAVERTON STERLING BOND FUND

### 3 I July 2024

#### Fund aim

The investment objective of the Waverton Sterling Bond Fund is to achieve capital growth and income through investment in UK and international government and corporate bonds.

#### Investment style

The Fund uses some degree of flexibility in its allocation to duration, credit and currency in order to achieve its investment objectives. Investment decisions are fundamentally driven using a combination of quantitative analysis with qualitative judgement calls. Derivative instruments are also utilised to manage risk.

Risk warning: Past performance is no guide to future performance. The value of holdings may fall as well as rise. All financial investments involve an element of risk. The level of income from the investment may fluctuate in value. Currency movements may also affect the value of the investment. If the currency in which the past performance is displayed differs from the currency of the country in which you reside, then you should be aware that due to exchange rate fluctuations the performance shown may increase or decrease if converted into your local currency.
