assura

We develop, invest in and manage a portfolio of health care centres across the UK.

Investment case

Assura is the UK's leading specialist healthcare property investor and developer. Our scalable platform and robust balance sheet enable us to deliver sustainable returns.

We're delivering our purpose to build better futures for people and places by deploying capital into schemes which deliver financially and make a difference to the environment and society.

We use our **extensive sector experience and creative skills** to meet the unrelenting, critical need for investment in fit-for-purpose, community health buildings.

We use the **power of design and innovation** to create outstanding buildings, ensuring we play our part in a sustainable future and supporting the NHS to meet its goal to be the first net zero carbon health service by 2045.

We have a **low risk, growing portfolio and scalable platform** that provides a recurring and predictable revenue stream.

We have a **strong balance sheet** that enables us to invest in our portfolio and provide a **sustainable, covered and progressive dividend policy**.

Healthcare sector

The sector faces growing demand for services (both population trends and moving health services out of hospitals into a community setting) and investment is needed to improve healthcare buildings.

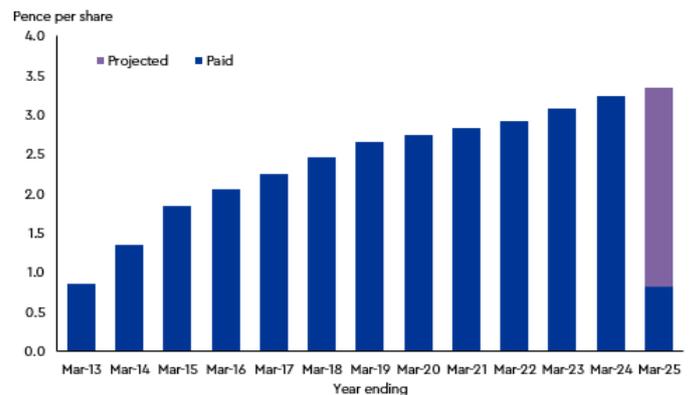

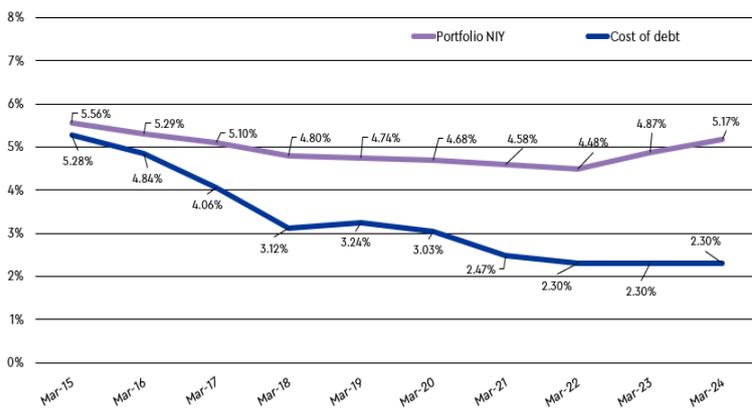

- c.9,000 medical centres in the UK, of which 30% considered not fit for purpose
- No. of people in the UK aged 85+ predicted to more than double by 2040
- £45 average cost to NHS of visit to GP, compared with up to £400 for visit to A&E

Current on-site developments

- Stable valuation – modest movement reflect security of underlying cash flow
- Benefit of growing scale seen in low cost of debt
- Debt fixed at average rate of 2.3% and 6 years maturity

- Income growth and scale benefits reflected in dividend payout
- Growing dividend for each of the last 10 years
