

## **SUPPLEMENTARY INFORMATION DOCUMENT**

This document provides supplementary information in respect of your investment in one or more of the sub-funds of Goldman Sachs Funds (each a “Fund”, together the “Funds”) and should be read in conjunction with the Key Investor Information Document (“KIID”) for the relevant share class of the sub-fund of the Fund you have invested in (“your investment”).

### **Dealing through Intermediaries**

If you have appointed a financial intermediary to act on your behalf in respect of your investment, they should provide you with details of their legal identity, address and other contact details. They should also provide you with their complaints policy and disclose clearly the capacity in which they will act on your behalf, and how you will be charged for the cost of their services, including in respect of any additional sales charge, regarding your investment. If there is no cost to you, they should disclose whether they receive rebates (known as retrocessions) from our annual management and/or distribution charge in relation to distribution activities relating to the Funds. The amount of the rebate is agreed between Goldman Sachs International and the intermediary but will not exceed the charges for each Fund as set out in the relevant Fund’s Prospectus. Further details on where to obtain more information, including the Prospectus is set out in the KIID.

### **If you change your mind**

You will not have the right to cancel your application under the UK Financial Services Authority Conduct of Business Rules. Not being able to cancel does not mean that you cannot sell your investment, as you are free to do so at any time subject to the Prospectus. However should you wish to redeem your investment, you will not recover any initial charges incurred and you may receive less than you originally invested if the value of your investment in the relevant Fund has gone down.

### **How to Complain**

If you are not entirely satisfied with the service you have received from your financial intermediary and you wish to complain, please contact your financial intermediary who will be able to assist you in accordance with their complaints policy.

However, if your complaint relates to the Fund itself and how that is managed please contact

Goldman Sachs International  
c/o European Shareholder Services  
10-15 Newgate Street  
London EC1A 7HD

Compensation under the UK Investors Compensation Scheme will generally not be available.
